

**UNIVISION**  
Electrotech Pvt Ltd

# Company Profile

ಕಂಪನಿ ಪ್ರೊಫೈಲ್

## Overview:

---

**Univision Electrotech Pvt. Ltd.** was originally founded by two enthusiastic and visionary partners Mr. Bhavesh Bhalala & Mr. Rajesh Dobariya on 12th June 2011 at Rajkot (Gujarat – India). The incorporation was in the form of Partnership Firm named **Universal Electrotech**, but from 1<sup>st</sup> September 2014, it is converted into Limited liability Company named Univision Electrotech Private Limited. We represent a Complete Engineering Solution for our valued customers and our nation too. Since that time, we have improved and expanded our capacity to stay attuned to customer's changing needs.

Service Sector in India today accounts for more than half of India's GDP. According to financial data, the service sector share is **approximately 50% to the national GDP and over 54% to Gross Value Added (GVA)**. We are providing services across the India as per requirements of our valued customers. We provide our services to many giant companies like GETCO, PGVCL, Godrej, Suzlon, Inox etc.

**Univision Electrotech Pvt. Ltd.** conducts Electrical works includes erection, testing & commissioning works, Operation & maintenance with special types of services, civil works related with foundation, building or shed. We also provide fabrication services for manufacturing products and services. We also supply the material related with HT/LT Line accessories, Transformer, CT/PT, VCB, Power panels, control panels and related with Electrical goods.

We conduct all our activities as per the rules and regulations formed by the government of India.
